General Conditions for the Award of BICS Grant

- 1. Applications must be made in writing by completing the form or using the online system as directed by the Trust's website for each grant programme.
- 2. To maintain a fair and transparent decision process, applicants **must not** solicit support for their application from a member of the Court of Wardens and Assistants. Such solicitation will disqualify an application from consideration.
- 3. Any personal or financial connection between an applicant and a member of the Court of Wardens and Assistants, or a member of the Trust's staff must be declared on the application form or online system.
- 4. The outcome of applications will be notified by post or email. Decisions will not be notified by telephone.
- 5. When the offer of a grant is made, the potential recipient will be required to enter into a Grant Agreement and should not commit funds until the Agreement has been signed.
- 6. Funds for the BICS Grant will be released in two instalments, when all required evidence has been received.
- 7. A grant may not be used for any purpose other than that specified in the Grant Agreement, without the prior written approval of the Trust.
- 8. The Trust will publish the award of grants on its website, in other publications, and through local media. Successful applicants are required to co-operate with the Trust's appointed advisors to organise publicity and press coverage.
- 9. To minimise administration costs and waste for the Trust and grant recipients, the Trust's details should not be added to general mailing lists.
- 10. A completed feedback form must be returned upon completion of grant. All feedback forms should be returned with supporting evidence e.g. photographs. Failure to return a feedback form may result in further grant applications being denied.
